

DVD ORDER FORM

Showtime 2017 is being recorded this year by Hoffer's Video Productions. They use the latest in HD video equipment to create a multiple camera video of our dance recital. You have the option of DVD or Blu-ray, both with stunning images. However, we recommend Blu-ray for the highest quality and detail. Your video comes in a custom-designed case that will make a great keepsake of your child's dance for years to come. Hold on to the memories of this year's dance recital with a video from Hoffer Video Productions. The cost includes mailing the DVD to you when duplication is done. The orders will be done towards the end of June.
